

It is with deep regret that I announce that Bob Fine, a life-time supporter of USATF and USATF-FL was involved in an accident while attending the 2008 USATF Annual Meeting in Reno, Nevada and passed away on Wednesday, December 3, 2008. Bob passed away while doing what he loved best - running.

Further information from his family will be forthcoming. Please keep Bob's wife Gloria, his four children and their families in your prayers.

Robin Beamon, President  
USATF-FL
